Increase Access to Quality Cancer Care in LMICs

Introducing the City Cancer Challenge (C/Can) and Korea's Potential Role

Join us for a high-level virtual event exploring how Korea can contribute to improving access to quality cancer care in Low and Middle Income Countries through partnering with C/Can, a pioneering initiative working with cities around the world to build sustainable, equitable cancer care solutions.

This session will:

- Introduce the mission and impact of C/Can
- Share real-world experiences from C/Can cities and partners
- Explore Korea's potential contribution and partnership opportunities

🗓 Date: Tuesday, 24 June 2025
🕒 Time: 15:30 – 17:00 Korea Standard Time (KST)
📍 Format: Online (link will be provided to registered participants)
👉 RSVP Now - Please register in advance to secure your spot.
